We attach a condensed report of the following recommendations:

We recommend that the sum of \$7,000.00 be appropriated and raised for Town Maintenance. We note from Statement of Appropriations that at the beginning of winter there were no funds left from Town Maintenance for winter roads, and as the amount raised is supposed to take care of all roads for the year, we strongly recommend that \$2,500.00 of the amount raised be held for winter roads only. From the balance we recommend that the following roads be shaped and properly tarred: The new streets built last year namely, Wilson Street, Elm Street, Western Avenue, and the road leading to Libby & Sons store. Also Promenade and School Streets, and that suitable fences be built on Western Avenue and the turn on Wilson Street.

We recommend the amount of \$1,300.00 be appropriated and raised to build a suitable foot bridge over Peabody River to the so-called Island near the Libby Mill, and that same be put up for bids to local contractors in Gorham if possible.

It has been estimated that \$300.00 would dredge Moose River in rear of C. P. Stuart's, thus protecting the streets and property east of that point, and we therefore recommend that an amount not to exceed \$300.00 be appropriated and raised for this purpose.

We recommend the amount of \$2,000.00 be appropriated for Municipal Water Bonds to be taken from funds on hand.

We recommend \$16,000.00 for Town charges, of this amount \$10,000.00 to be raised and \$6,000.00 appropriated and taken from unappropriated revenues.

We recommend an Article be placed in Warrant to install a catch basin at the foot of so-called Marble Hill on lower Main Street, at or near the line of Fred Leeman and Henry Berwick to take care of the surface water in that location.

We recommend that the following Article be placed in the Warrant:

To see if the Town will vote to rescind the votes taken under Article 35 at the Town Meeting, March 13, 1923, which reads that the minimum wage shall be 47c per hour, also Article 38 of same year pertaining to salaries of all Town Officers and substitute the following Article: To see if the Town will vote to pay the prevailing wage to all officers, laborers, trucks and teams.

We recommend an Article be placed in the Warrant to carry the \$775.00 insurance Upper Village Fire House now carried as a Liability, to the General Fund and drop same from the Liabilities.

The following recommendations were presented to the Budget Committee and we recommend that the Selectmen insert an Article in the Warrant to see what action the Town will take in regard to same.

### EVANS CEMETERY

#### Recommendations—No. 1:

That the Town of Gorham take over all present lots which join the original Evans Cemetery and include and to incorporate same to be known as Evans Cemetery, as a whole.

#### Recommendations—No. 2:

That hereafter, whatever land that is required for burial purposes be acquired by the Town of Gorham, if necessary by legal action, from the owner of such land, the Town of Gorham to issue lots upon application, direct to purchaser.

#### Recommendations—No. 3:

That the so-called farm road, now running through the western side of Evans Cemetery, be taken over, controlled and maintained by the Town of Gorham for an avenue to the cemetery and prohibit the use of this avenue for other purposes whatsoever.

#### Recommendations—No. 4:

That be it enacted that no grave shall be opened or transfers of remains made, except by authority of the Town of Gorham and the usual permit issued by the Board of Health and this work performed under the supervision of the sexton of the Evans cemetery and be it further enacted that no new grave shall be

opened except by the knowledge and authority of the sexton in charge.

Recommendations—No. 5:

Be it further resolved that the Evans Cemetery, as a whole, be enclosed by proper fencing and that proper maintenance be maintained to properly keep this sacred resting place for our departed loved ones, and to eliminate repetition of certain past practices and abuses.

We recommend \$500.00 be appropriated and raised for the upkeep of Evans Cemetery and the old cemetery opposite same.

The Budget Committee is unanimously in accord with the action the Selectmen have taken in financing the wood cutting project entered into with the Brown Company as a means to furnish work for the unemployed.

Following is a list of our Budget for the ensuing year and if no new projects appear other than recommended below, our tax rate should be about \$26.00 per \$1,000.00.

The work has been much the same as in preceding years, thus concluding fourteen years of Public Health Nursing.

The nurses' welfare visits have increased considerably during the past year, helping whenever not busy with nursing visits. A great deal has been accomplished in aiding those in need (caused by continued unemployment) through the Red Cross Relief and the generosity of the townspeople.

The undernourished children in the elementary school have been given one-half pint of milk daily.

This was made possible with the aid of the different organizations in town.

I am unable to give a more detailed report of the work.

Respectfully submitted,

MARIE STONE, R. N.,

Acting Public Health Nurse.

# District Nursing Association Report

---

In rendering our annual financial statement and report of the Association, we would call attention to the fact that our income from the insurance companies and from individual patients, by reason of the economic conditions, has been considerably smaller than in previous years. This makes it necessary for us to ask for a somewhat larger appropriation than last year, if the good work is to continue, and believing that the service has accomplished much and is greatly needed, we are confident that the voters will grant us the small additional amount which is required.
